

First Church in Ipswich

JUNE 24-29, 2018

PROVIDENCE, RHODE ISLAND **URBAN WORK CAMP**

For High School Youth

Join us for 5 days of community service work with organizations serving homeless families and refugees. We will work on a farm that grows food for hungry families, volunteer in a food pantry and a shelter sorting clothing, organizing food, preparing meals and offering child care for homeless children and we will support international refugees and ESL learners. Join us in forming new friendships as we work and play together staying at UCC's Irons Homestead, just outside of Providence. Join us in reflecting on our adventures and returning to First Church on Sunday to teach the congregation what we have learned in service to others.

Work?

We will join with Dorcas International, which works with refugees and ESL learners, The Providence Rescue Mission, which organizes clothing, food, and shelter for homeless families, McAuley Ministries, which provides daytime meals and childcare for families in transition, Franklin Farm, which

grows local food for hungry families, and PICA, which has a food pantry and soup kitchen in the heart of Providence.

Housing?

Our home will be at the Irons Homestead, in Glocester Rhode Island, which has bunks, bedrooms and a fully-equipped kitchen, a swimming pool and labyrinth, hiking trails and a worship space. We will prepare our own food, bring our own bedding, and enjoy their beautiful facility.

Support?

Our work camp will be led by Rebecca Pugh (revrebecca@aol.com), Beth Viehmann (bvmann@comcast.net), Dennis Quinn, as well as Rev. Jennifer Geary, from the Irons Homestead.

We will need one more adult who can help us with the cooking!

Food?

We will bring our own food and prepare it together. Our menu and each student's food contributions will be decided at our upcoming planning meeting.

Community Service Hours:

This trip includes 60 community service hours, between volunteering with homeless families, teaching English, and farming, and preparing meals for the volunteers who come with us to Rhode Island.

How much does it cost?

The contribution to the costs for the week will be \$250. You may also wish to bring a little pocket money for the ride home. Scholarships are available and can be obtained through contacting Carmen at the church office: (978) 356-2211.

Time deadline:

April 1 for submitting:

- a. the permission slip, health form copy, and release form
- b. the signed group contract
- c. the cost of the trip, or request for scholarship

Contract?

The contract defines how we will live as a community.

Fundraisers:

We will be doing one fundraiser for the trip--a Spring Dinner on April 30.

First Church Unplugged:

We don't bring cell phones on youth retreats and service trips, except for the chaperones' phones for emergencies. We know that this is unusual for young people in our culture, and yet we have found that it frees people to live in the moment, make friends in unexpected places face to face, and fully participate in the community. Plenty of pictures will be taken by chaperones.

What is Youth Sunday?

Youth Sunday is a day in which all youth who traveled in service have the chance to tell stories, share experiences, and reflect theologically with the congregation of the First Church in Ipswich. It is a required part of the week's experience, and has tended to be a highlight of the year for the congregation, to learn about the wisdom and insights of youth who have ventured afar in the name of the church. Youth Sunday this year is July 2, 10 am, at First Church in Ipswich.

Confirmation:

This retreat is the final event after the year long confirmation program, and every confirmation class member is expected as a participant of the week-long community service retreat.

What's the Packing List?

- *Please pack a sleeping bag, small pillow, towel, flashlight, and toiletries.
- *Please pack modest, old clothes, sufficient for a week's working primarily in feeding the hungry. Aprons welcome.
- *Please pack a snack to share for the ride down on Sunday, and a non-perishable one for the ride home the following week. Non-sugary is best for this group.
- *Please pack a Bible, a journal, and pencils and pens.
- *Please pack several small gifts for your Ipswich "Secret Buddy", to whom you will be assigned at the beginning of the trip, and a "hostess gift" for a new friend in Providence, whether this be a leader in the Irons Homestead, or a host at one of the organizations we serve.
- *Please pack a non-disposable water bottle to carry with you.
- * Please pack a mug, spoon, fork and table knife that will be yours for the week, to help us cut down on dishwashing.
- *Please pack a few games you would like to share with friends, and musical instruments.
- *Please plan for the food contribution sharing, which we will organize together, mid-May.

Theological Framework:

Just as Naomi and Ruth sheltered each other when famine wiped out their clans and left them bereft, even though they were of different tribes, so will we seek to offer comfort and shelter to some of the city's most devastated citizens, in the name of the One who sought a preferential option for the poor and the outcasts, and found that they had some of the greatest insights of all.
